E.S.Educational Charities was established in 1983 by the esteemed Industrialist, Philanthropist and President of Tamil Nadu Inland Fisherman Association - Thiru.E.Swamikkannu. E.S.Educational Charities has carved for itself, a name in the field of Women's education in Villupuram district and has been rendering a commendable service for more than two and half decades. Owing to the untiring efforts of the visionary management and the unstinted support of the parents and students, it has blossomed into 11 institutions under the E.S.Group Banner. Founded in 1989, Theivanai Ammal College for Women was accredited by NAAC with "A" grade and conferred the status of Autonomy by UGC. Autonomous Status was extended for further six years till 2021-2022. The college adopts Choice Based Credit System with focus on academic excellence, vocational skill development, value orientation and sensitization for community development. Its creative and flexible curriculum aims to provide each student with the best possible opportunity to fulfill their intellectual potentials and to contribute towards resolving the global challenges of the day. The College has a long-standing reputation for discipline, values and rigorous training. The college has a team of experienced faculty and our academic programmes are reviewed regularly. Courses are conducted in accordance with rules and regulations laid down by the University Grants Commission, TANSCH & Thiruvalluvar University. The college emerged as the leading self financing college in Villupuram district in terms of student strength, number of academic enrichment programmes, faculty strength and student development activities. The college has a good track record in extra-curricular activities like NCC, NSS, cultural activities and sports achievements.

The college embraces updated and contemporary curriculum completely making use of its Autonomous status.

TACW is marching ahead on the road to excellence, preserving the traditional values and powered by modern technology. The college functions with focus on its mission- "Women Empowerment".

VISION, MISSION AND GOALS

Vision

To empower rural women through quality education for the purpose of serving the humanity with social responsibility and leadership commitment.

Mission

To empower young women from rural areas with emphasis on academic excellence and holistic development to face the challenges of life with courage and commitment, to be builders of a humane and just society with value orientation and to contribute to the process of nation building.

Goals

- To promote academic excellence
- To form women of character
- To make students employable
- To sensitize students to serve for community development
- To develop effective leadership qualities

Quality Policy

Our thrust is on the social empowerment of women through quality education, which enables the transformation of aspiring young girls into confident women.

Thiru. E. SWAMIKKANNU

CHAIRMAN

E.S.Educational Charities aims at fulfilling the educational, cultural, social and other aspirations of the people in and around Villupuram district. Thiru.E.Swamikkannu is the Founder Chairman of the E.S Educational Charities. His sincere and unrelenting efforts have led to the establishment of several institutions in Villupuram under the auspices of E.S.group. TACW was established with a missionary zeal for imparting quality education to the socially, economically and educationally deprived women of Villupuram district.

"My vision in founding the college was to impart higher education to girls and to make them self-reliant. I feel that women are the greatest national asset and by teaching one woman, we teach the whole family. TACW is the right place for them where one can learn, interact, grow and discover".

Mr. S. SENTHIL KUMAR

SECRETARY

"If you educate a man, you educate an individual; however if you educate a Woman, you educate the whole family. Women empowered means Mother India empowered".

Education is pivotal in any Women Empowerment Program and Theivanai Ammal College for Women in its 27 years of service has taken up this crucial role in the region.

The autonomous institution is the only college in Villupuram district Re-Accredited by NAAC with 'A' Grade. It is an ISO Certified Institution equipped with all the modern facilities, well maintained Computer labs, Science labs, Auditorium, Seminar Halls, Internet Facilities, adequately stocked Library and lush green campus.

Our college aims to be a benchmark institution in Women Empowerment where the standard of women is improved with respect to education, health and economic opportunities. Our institution through quality higher education seeks to evolve empowered women who are strong and ready to take up the challenges for building up of the Family, Society and Nation.

I wish the students, All the very best and welcome all to our campus.

PHYSICS**About The Department**

Physics is a fundamental science and a practical subject. It is an attempt to understand the natural phenomenon from the smallest to the largest scale of universe. Many techniques used in medical imaging, nanotechnology and quantum computing are derived from Physics instrumentation. Even the World Wide Web was a spin-off from the information processing and communications requirements of high energy particle physics. In TACW, The Department of Physics came into existence in the year of 2002. The department has well equipped laboratory with sophisticated equipment for practical courses. The three year undergraduate and the two years postgraduate program in physics at TACW is designed for a student who either wishes to pursue a research career or physics jobs. The department has tie-up with an optics company for in-plant training and placements. All the subjects were handled by doctorates in physics.

**Future Prospects**

Physics graduates go on to study for a higher degree, leading to careers in universities or in industry or in research and development, technical consultancy, manufacturing and science education. Many others enter professions unrelated to Physics, such as finance and business, where the analytical and problem-solving skills they have developed are highly sought after.
